Project and location:

÷Fjarðabyggð is an association of villages in the Eastfjords of Iceland. It includes the towns of Eskifjörður, Fáskrúðsfjörður, Mjóifjörður, Neskaupstaður, Reyðarfjörður and Stöðvarfjörður, all tiny fishing villages with steep mountains towering just behind the houses. In this area you will see some of the features that make Iceland a unique place in the world: spectacular fjords with a rich sea life, a great variety of birdlife, and countless breathtaking hiking paths. You will explore the area during your stay in the east. Our tasks will depend on the general situation in Fjarðabyggð, the working site of this camp.

Work: Most of the work will consist in cleaning and beautifying the towns and the surrounding area. We will also clean the coastline, plant trees and build hiking paths. Our chores will also depend on weather conditions and that's why we have to be flexible. Please keep in mind that the work might be physically hard and you should be prepared for unfriendly weather, even though, hopefully, it will be nice most of the time.

Leisure time: Free access to the local swimming pool, great hiking places. An excursion or a boat trip will be organized by the hosting partner.

Accommodation and food:

In a community center. Mattresses will be provided and everyone is asked to bring his/her own warm sleeping bag. We will access to showers at the local swimming pool and sports centre.

The food will be supplied for the duration of the work camp and everyone is expected to do his/her fair share of the cooking/cleaning. It would be nice to try new and different dishes, so please remember to bring along recipes from your own countries.

Language: The language of the camp is English.

Extra: There is an extra participation fee of 120 Euros for this workcamp.

Terminal:

Intl. Airport: Keflavík (KEF), Reykjavík. The closest national airport to the camp site is Egilsstaðir airport which is 40 km away from the project's site.

WF Iceland will arrange a bus trip from Reykjavik to the workcamp's site at a fair price with stops in some of the most beautiful places in Iceland.
